

Reception / Spring / Happily Ever After

Collaboration

As collaborators we will play, find out and explore together. We will ask for help when we need it. We will share our own ideas and talk to children and adults about them. We will listen to and think about other peoples ideas.

Possibilities

As risk-takers we will be willing to 'have a go', have our own ideas and make links. We will choose ways to do things and talk about why things do or don't work.

Respect

As emotionally intelligent young people we will keep trying, enjoying and achieving what we set out to do. We will get involved and concentrate on our learning. We will start conversations and listen to what others say. We will be considerate to others.

Technology

As technologists we will use iPad, IWB, computers and our class BLOG to help us with our learning. We will choose and use technology for particular purposes. We will think and talk about the reasons why things happen or how things work.

What is your favourite Fairy tale?

Can you re-tell a Fairy tale?

How do you make a strong house?

Did Jack have the right to steal from the giant?

Who's shadow can we see in the foggy forest?
