

Year 3 / Spring / Dare to Believe

Collaboration

We will work together to support each other in developing and listening to different thoughts and ideas. In doing so we will challenge and explore new learning.

Possibilities

We will take risks in our learning, challenging ourselves and each other. We will embrace every possibility we face, developing our personalities, talents and abilities.

Respect

We will create a mutually safe and supportive environment where all members of our school community, our own and other cultures, and the environment are treated with respect.

Technology

We will learn how use technology safely and effectively. We will use it as a tool to enhance our understanding and learning in different ways by using iPads, the Internet and blogging.

How are forests different across the world?

How can you overcome your fears?

What makes somebody a hero?

How can we make our World a better place?

Who were the Vikings?
